

# December Newsletter

## From the office:

We hope that everyone will join us this month, Wednesday the 17<sup>th</sup>, for our annual Holiday Program. The evening will start out with a wonderful night of performances. Afterwards, we would like you to stay for refreshments. While you are enjoying dinner and good friends, you can stroll through your child's room and speak with their teachers. I'm looking forward to seeing you. It's always wonderful to have families be part of our tradition.

- Donna Kolberg, Director

## The "Cuddle Bugs"

The holiday season is a wonderful time to celebrate. Make your family's celebrations more peaceful by considering your children's needs and by involving them in the preparations.

## The "Terrific" Twos

This month our Twos will be exploring the theme "We Can Go". We are also going to learn the color green and the shape of the square. Working with real objects in hands-on activities, we will develop the skill of classification. We wish for everyone to have safe and happy holidays and a blessed new year.

- Ms. Gloria

## The "Butterflies"

This month we will learn all about the many ways people travel. We will introduce new concepts on moving things and holiday spirit. We will introduce the concept of Fast and Slow, the color Green and the

rectangle shape. Our numbers are 5-7 and the letters J, K and L will travel with us. Parents are always welcome to volunteer and share any traditional ways your family celebrates during the holiday season.

Ms. Charo

## The "Amazing" After School Bunch

This month we celebrate many fantastic holidays. What better way to do so than to put on a show. The After Schoolers will be entertaining all who come to the Small World I Holiday Program on December 17<sup>th</sup> at 6:15 PM. We can't wait to see you there. Also, we have many fun activities planned for the school break.

- Ms. Angiie
